From the time you enter the main lobby of this historic treasure you will notice the beautiful craftsmanship and elegance of this estate. There are two points of entrance into the condo, either from the main lobby or a private entrance through a stone archway near the parking area. The Great room which is entered into from the main lobby offers wonderful space for you to display your artwork, host large family/friend gatherings or enjoy comfortable evenings in front of the wood burning fireplace. From the formal dining area you will conveniently find an updated kitchen with all the amenities an entertainer could need. A large den offers a great space for a home office or media room.
